PRODUCT SPECIFICATION

CATALOG NUMBER: A10584

PRODUCT: Human MPO Monoclonal Antibody
SOURCE: Mouse ascites
IMMUNOGEN: Human MPO
PURITY: >95% by HPLC and SDS-PAGE
PURIFICATION: DEAE chromatography
BUFFER: 0.015 M potassium phosphate buffer, 0.85% NaCl, pH 7.2
PRESERVATIVE: 0.05% NaN₃
SUBCLASS: IgG1
STORAGE CONDITIONS: 2-8°C for one year, -20°C long term
SPECIFICITY: This antibody is specific for human MPO.
PAIRING INFORMATION: Pairs with A10585, A10586 or A10587
HAZARD/BIOHAZARD: This material contains sodium azide as a preservative, take appropriate precaution. There is no known biohazard associated with this product.
